**"As a valued Corel customer,
we have created a Special Offer...
-Specifically for You-
It's our way of saying, Thank You"**

Blaine Mathieu
General Manager
Corel Digital Imaging

Dear Friend,

When it comes to software for your home or office, you have plenty of choices. That's why we truly appreciate that you own several Corel solutions. With customers like you, Corel is a thriving and successful global software company.

That's why I'd like to formally thank you for your support with a very special, money-saving offer specifically for you.

This offer gives you the opportunity to save hundreds of dollars in the future. Plus, you'll receive several **FREE** bonuses right away – and these are available **only** to valued Corel customers like you.

First, I have a special announcement...

For the past year, we've been feverishly working to create two new and exciting digital imaging products that will revolutionize photo editing and sharing:

- **[NEW! Corel Snapfire™](#)** – this totally new photo and video sharing program will change the way you share, and experience photos and videos. More about that in a moment.
- **[NEW! Corel Paint Shop Pro Photo XI](#)** – this new release combines all the familiar features in Paint Shop Pro that you already know, with break-through new features that will catapult you into the realm of truly creative photography.

Now only \$59.99!

Here's what you get when you upgrade before Sept. 30, 2006:

- **NEW Paint Shop Pro Photo XI** with a 40% discount off the full retail price. **[Now only \\$59.99!](#)**
- **FREE** shipping
- 2 hours of **FREE** video training by lynda.com
- **Over a dozen totally new** tools, features and enhancements
- **NEW! [Corel Snapfire Plus SE](#)** - the fun, fast and easy way to create and share photos and video clips
- **FREE shipping** on all purchases at corel.com for 12 months

Powerful yet simple

The **new Paint Shop Pro Photo XI** is so advanced that it lets you tackle creative, complex tasks quickly and easily. For example...

Some photographers – especially the serious ones – use a camera technique called “depth of field” to give their photos a really unique look. You’ve probably seen it, where part of the picture is out of focus. The contrast between the sharp, focused subject and the soft, blurred background has so much impact!

Now, the **new Paint Shop Pro Photo XI** makes achieving that [inspiring effect](#) simple! The powerful new Depth of Field filter lets you create remarkable depth of field results with just a few clicks of your mouse!

Take your photography to a whole new level with remarkable, new creative tools

But that’s just the beginning! This new version is bursting with cutting edge features, including

- the innovative [Color Changer](#):

- the amazing [Time Machine](#),
- the idea-inspiring [Film & Filters](#),
- and, the lightning-quick [Organizer](#).

All in all there are more than a dozen totally new features and hundreds of incredible creative tools that will let you dazzle friends and family with your photos.

Plus a totally new program for creating and sharing your photos and videos

• **15% discount** on all future purchases at corel.com for a full year

• **15% discount** off selected [Epson® Wide Format Photo Series Printers](#) and [Epson photographic and fine art paper](#)
